APRIL In your board packet please find these items for action over the next few monthly meetings.

1. Budget proposal for 2026/27 provided to begin review process.
2. Budget Trial Balance for budget for review, amendments to be made in June.
A few typo issues located on the 2025/26 approved budget. Status of budget is on target I believe only one adjustment will be needed at the June meeting. Items for your attention.
 - A. 191-801 Accounting service \$1,500 listed should have been \$15,000.
101-526 Transfer station \$4,000 listed should have been \$40,000.
000-402 property tax \$3,200 listed should have been \$32,000.
 - B. New GL# place in departments after budget planning.
Fire GL lines 336-805 Computer/software and 336-960 insurance need amended.
Ambulance GL 651-805 Computer/software and 651-960 insurance need amended.
3. Library interlocal agreement for operation is set to expire June 30, 2026. Request Board review to determine desired action at May meeting. With that action determined we'll begin discussion with Library Board as to next actions.
